South Bay Hospital to Open Series

A sixth lecture series on "Immediate Care of the Sick and Injured" for persons who require advanced first-aid ability, begins Wednesday and Thursday at South Bay Hospital, Redondo Beach, according to hospital sources. The course is designed primarily for holders of Red Cross First Aid certificates and provides an advanced approach to emergency care, according to Dr. Albert E. Ackroyd, lecture coordinator of the series at South Bay Hospital.

Letters of invitation for the 13-lecture course have been sent to police departments, fire departments, hospitals and other organizations in the Southwest.

THE SERIES is sponsored by the South Bay Hospital Emergency Room Committee in conjunction with the Emergency and Disaster Committee of District 9, Los Angeles County Medical Assn., and the Training Division of Area G, Medical Service.

Approximately 300 graduates of five prior lecture series are putting their advanced first-aid knowledge to work in the Southwest, doctors report. Subjects covered by local doctor-lecturers include respiratory resuscitation, shock and bleeding, chest injuries and cardiac resuscitation, pediatric emergencies, orthopedic emergencies, injuries of the head, neck and back, burns, obstetrical emergencies, psychiatric emergencies, irradiation, disaster planning, and a demonstration of injured persons.

LECTURES WILL BE given in the South Bay Hospital cafeteria, starting at 7:30 p.m. The same lecture given on Wednesday nights will be repeated Thursday nights to accommodate the working schedules of registrants. Persons wishing more information may contact the department of education at South Bay Hospital, Dr. Ackroyd said.

AT HOSPITAL . . . Supervisor Kenneth Hahn, who this week toured Harbor General Hospital as the hospital marked its first anniversary in the new building, is pictured here with members of the Volunteers for Children. Pictured are: Mrs. Minnie Henderson of 1011 Acaia St., Mrs. Mary Carr, president of the Enterprise School Board, Mrs. Kathryn Morehart of 18520 Kingsdale, president of the volunteers, and Mrs. Minnie Foreman of 1414 Cravens Ave. Mmes. Henderson, Morehart, and Foreman are charter members of the organization, formed in 1955.

Supervisor Tours New Hospital

Following an inspection tour of Harbor General Hospital, Supervisor Kenneth Hahn had words of praise for the hospital and its professional and volunteer staff. The visit, at the invitation of Mrs. Mary Carr, was part of the continuing program to inspect county facilities in his district periodically. It came as the new hospital marked its fifth anniversary. Mrs. Carr is the president of the Enterprise School Board and a member of the Volunteers for Children at the hospital.

THE MANY volunteers at this hospital provide the highest example of citizens donating their time and talents for the benefit of their fellow man," said Hahn.

The supervisor met with several volunteers and with members of the professional staff during his visit and tour of the new facility. Among those he met were Mrs. Kathryn Morehart, president of the Volunteers for Children, and two of the charter members, Mrs. Minnie Henderson, 77, and Mrs. Minnie Foreman, 81. Both women joined the volunteers when the organization was formed in 1955.

He also commended the professional staff at the hospital for their efficiency and their thoroughness in operating the modern hospital facility.

IN ADDITION to members of the Volunteers, hospital administrator A. L. Thomas, medical director Benjamin J. Cutshall, and assistant medical director George C. Porter, accompanied Hahn on the tour. The hospital has a staff of more than 1,500 professional persons and 204 doctors. More than 375 attending physicians are included on the staff. More than 14,900 patients are treated each month at the facility.

The hospital is affiliated with the UCLA medical school and is the hospital for nurses training at Harbor and El Camino colleges.

SAVINGS? We'll help them grow!

"Smart idea, Janis—keeping your savings right near home. They're there when you want them—and we're there, too. Of course, if you'd rather do your savings by walking to the mail box instead of to the bank, we'll pay the postage both ways. You may even use our drive-in window (when you're old enough to drive). Your money's safe and insured—no matter how you get it here—and you get maximum bank interest rates. ■ We have all kinds of ways to save—just ask us about: regular accounts, special accounts, Christmas Club, automatic monthly transfer from checking to savings account, night deposit box. In fact, we'll do almost anything to help you save. ■ No, I'm sorry—we can't get your money out of the piggy bank—that is, not without breaking it!"
